Treaty Settlement Update

Work has been continuing in the New Year to try and conclude an Agreement in Principle.

The Directors of Tainui Taranaki ki te Tonga are optimistic that an Agreement in Principle will now be signed with the Crown within the next week to 10 days. If this signing occurs as hoped then there will be a public announcement of the signing, which will include details of the content of the Agreement. There is also likely to be some more general publicity around the signing because this will be the first settlement related agreement signed between the new government and a group of claimants.

As soon as possible following any signing it is expected that a copy of the Agreement in Principle will be placed on both the Tainui Taranaki website (www.tainuitaranaki.co.nz) and the Ministry of Justice website (www.justice.govt.nz).

In anticipation of an Agreement of Principle being signed the Directors of Tainui Taranaki are also planning to commence a roadshow to share the content of that Agreement with you and to confirm that you are happy with the direction the negotiations are taking. It will also be an opportunity for you to raise any issues that you think should be considered in working towards Deed of Settlement.

The times and dates for the roadshow are set out in the table that follows.
