### Information Hui

Information Hui were held recently in Nelson, Auckland, Te Kuiti, New Plymouth and Wellington between the 12<sup>th</sup> and 14<sup>th</sup> October 2005. The objective of the Information Hui were to provide Iwi members with the opportunity of finding out what Tainui Taranaki ki te Tonga is all about as well as for Iwi members to ask questions and give us feedback. There was also the opportunity for Iwi members to meet the Board and

Management of Tainui Taranaki ki te Tonga. The Information Hui went very well and the general feeling amongst the people who attended was particularly positive towards the work that Tainui Taranaki ki te Tonga has been doing.

On our Hiko we stopped near the outskirts of New Plymouth to enjoy the majesty of Taranaki maunga as well as take a photo of our group that travelled to each of the Information Hui.

### Website

A website for our roopu is now online and we encourage you to have a look at it. A lot of work has gone into getting the website established and we are very happy with the result. We will update the website with new material continually so remember to keep referring to it from time to time. The website address is "[www.tainuitaranaki.co.nz](http://www.tainuitaranaki.co.nz)"

### Membership Enrolment

We want to continually build up the membership of our Iwi databases over the next 5 years because this could have an effect on the size of the settlement negotiated. We would therefore encourage you to enrol with us by using our standard application forms. The applications forms are available on either our Website, the Information Booklet or by calling our toll free number. Remember if you have already enrolled with one of our Iwi, then you are already enrolled with us. However if you haven't enrolled, then we want to encourage you and anyone else in your whanau to apply. It should be noted that the form goes to your iwi first to check your Whakapapa connection and after confirmation it is forwarded to us.

*Kia ora mai no tatou katoa.*
