

Ngati Koata Trust

INFORMATION SHEET

Ngati Koata Trust is the representative body of the Ngati Koata Iwi.

Please complete the attached Registration Form if you wish to be on the Beneficiary Role of the Ngati Koata Trust. We are asked to provide a full disclosure of your whakapapa back through your lineage to a known Ngati Koata Tupuna. The list of Ngati Koata Tupuna comes from:

- The Ngati Koata owners of Rangitoto (Native Land Court – Nelson Minute Book 1, Page 28, dated Tuesday 20th November 1883)
- The Ngati Koata original owners in the Tenths Reserves (Native Land Court Nelson Minute Book 3, pages 46 – 57, 24 November 1892), or
- The Ngati Koata Nelson Tenth's owners alive in 1893 (Native Land Court – Nelson Minute Book 3, Page 268-279 dated 31st July 1895)

We undertake to give you the opportunity to be informed of iwi matters and to participate in iwi decisions. All applications need to be validated and the Trust has developed a process to achieve this end. Confirmation of your membership will be sent to you with your Ngati Koata no Rangitoto ki te Tonga Trust member registration number. Where an application for registration is declined the applicant may dispute that decision.

Who Can Register: Adult members of the Iwi who are descendants of Ngati Koata tupuna (identified on the information sheet), by birth or legal adoption. Parents or the legal guardian may register those under 18 in there family.

Why Register: To be notified of important issues and decisions affecting you and to receive benefits that you may be entitled to i.e. education grants or scholarships.

In completing your whakapapa on the registration form you may find that you have insufficient space to show your complete pedigree. You are referred to the Ngati Koata web site (at www.koata.iwi.nz) where you can download a pedigree chart to add to your application.

Your attention is drawn to the Private Notice Option. This has been added as a requirement under the Fisheries Allocation legislation. Please be sure to make a conscious decision on this matter
